I hereby certify that I am the builder of this aircraft and have followed the **Builder-Of-The-Model** rules as they apply to the class my aircraft is entered in. I certify that this aircraft passes the current weight and thrust limits (in the case of turbines) as spelled out by the current AMA rules. I also certify that this model has been test flown prior to this event.

Signature: _____

If entering in #522 Team Scale, only the builder should sign.
